ADNAN BIN ALAM

code.technoadnan@gmail.com ● technoadnan.github.io

Objective:
I'm a highly driven high school student passionate about developing software and my purpose is to make people's lives better by Technology. Seeking opportunities to develop coding, communication, problem solving skills.

Education:

John Adams High School *Sep 22' - currently*
Cumulative average: 99.01%
Gpa: 4.0(unweighted)

- *IB: Biology and English*
- *AP: U.S Government & politics*
- *Honors: Algebra 2*
- *Non-honors: Foreign Language, Gym*
- *College classes: Statistics 111, Health*

The East New York Arts & Civics High School
March - Sep 22'
Gpa: 4.0(unweighted)

Extra-curricular Activities:
- Active member of School's *robotics* club, MechaSpartans - team 6648, participating at state level competitions
- Tutor at Algebra 2 class after school, helping students to pursue higher grades

Project:
- Personal Portfolio — technoadnan.github.io
- Cricket Data Analytics through Pandas and web-scraping
- Graphical User Interface Quiz game created through an active API
- Weather alert through text message and Email
- Youtube clone
- Birthday message automation
- Habit tracker – pixela api
- Stock market real time update

Skills:
- Proficient: Python
  - Pandas
  - Numpy
  - Data Structure & Algorithm partial mastery
- Version Control Git and Github
- partial mastery: C programming
- partial mastery: Web-development skills(*HTML, CSS, JS, Wordpress*)
- Hands on experience in robotics
- Pursuing Machine Learning

Experience:
- *Web developer* at Pathfinder Internship
  - Morgan York Consulting (lead web-dev) 3 months
  - Everybody wins Atlanta(web dev) 3 months
- *Freelancer* connected with 5 clients

Certification:
- Harvard CS50 introduction to python programming
- Google AI essentials Certification
- Hackerrank problem solving
- Linkedin Learning Python Operations
- 100 days of code by Dr.Angela Yu
- Sololearn
  - Python ○ CSS ○ HTML
- Freecodecamp – web development

Hobbies:
- Playing cricket
- Reading self-development books
- Walking outside
